

JUICH LLC CAPABILITY STATEMENT

Jointly Unleashing Innovation Consulting & High-Impact Solutions

Strategic Management • Facilities Coordination • Transition Support

UEI: ZG87Z5JGTUU4

Business Type: Woman-Owned Small Business (WOSB)

Location: Georgia

Status: Micro-Purchase Ready

Core Capabilities

JUICH LLC provides management-level coordination supporting administrative operations, facility lifecycle services, and infrastructure transition environments through a vetted network of qualified technical partners.

- **Strategic Management & Program Coordination**

Administrative coordination supporting compliance-aligned operations and multi-team project environments.

- **Integrated Facilities Support Coordination**

Oversight supporting lifecycle services including janitorial scheduling, grounds coordination, HVAC service alignment, and vendor performance tracking.

- **Inspection Readiness & Transition Support**

Facility condition walkthrough coordination, occupancy transitions, move-in / move-out readiness planning, and workspace utilization support.

- **Infrastructure Modernization Coordination**

Renovation coordination support and similarly situated subcontractor alignment supporting institutional improvement initiatives.

Differentiators

- Management-layer coordination model (not direct labor staffing)
- Leadership experience includes five years supporting multi-state property compliance environments across regulated facility portfolios
- PDCA performance framework supporting structured performance alignment
- Inspection-readiness and transition-phase coordination capability
- Agile small-business responsiveness supporting evolving requirements
